

Internship Opportunity at Global Development in Geneva
(For Graduate International Students)

Position: Internship at Global Development – *Advising the Leaders* (GD)

Global Development (GD) is a boutique strategic advisory firm which assists global leaders in the development of new and innovative public-private partnerships for sustainable social and economic impact. GD was created to help enable a new collaboration economy, which is underway – but this is not happening fast enough. We build pioneering collaborations to deliver affordable solutions to people at scale. We *envision* new pathways, *connect* leaders across sectors and *transform* access to affordable solutions. Main action areas include global health, environment, food security and educations in support of achieving the Sustainable Development Goals (SDGs). For additional information, please see our website: www.gd-impact.org

Overall objective: Supporting clients' work including development of pioneering public-private partnerships, focusing on collaborations with Fortune 500 companies with other stakeholders including the United Nations agencies, governments, private foundations, entrepreneurs, NGOs and academia to accelerate reaching the Sustainable Development Goals. Issue areas include key global challenges in health, environment, education and food security. Various research, communication, network building, managerial and administrative assignments supporting GD projects and operations.

Term: Starting immediately, full-time, minimum 3 months, with possible extension; internships available throughout the year.

Report directly to: President of Global Development or other team members

Compensation: Award

Location: Geneva, Switzerland – possibility to work remotely part time

Requirements:

- Ideally MBA & MPH background or similar background (business, economics, international development, global health, environment) ideally some practical experience in international development, global health and public-private partnerships;
- Proficient knowledge of English mandatory, a native speaker a plus (French is a plus);
- Curious, smart, analytical and entrepreneurial;
- Passionate about making a difference and improve people's lives;
- Outstanding organizational skills;
- Excellent professional communication skills, including business writing;
- Excellent computer skills (MS Word, Excel, Power Point);
- Flexible and used to work in multi-cultural international environment;
- Great sense of responsibility and integrity;
- Eligibility to work legally as an intern in Switzerland.
