RESEARCHconnect Guide

[RESEARCHconnect](https://www.researchconnect.eu) is a service providing information on thousands of funding opportunities dedicated to the International research community.

Graduate Institute researchers, students or professors, are welcome to browse this continuously updated database. This is another tool to help our researchers finding new funding opportunities.

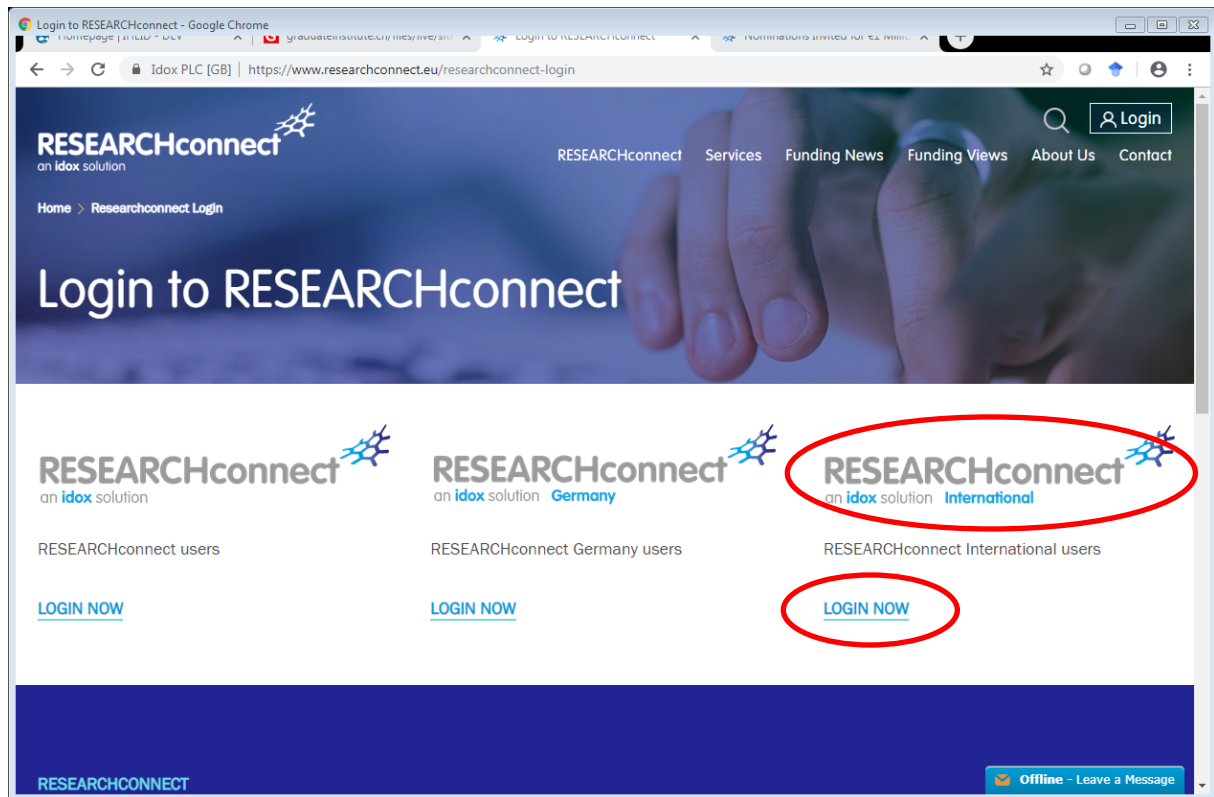

Start guide:

- On the Home/Main page in the top-right end corner you will find the login area
- Click on login and you will be directed to the following page

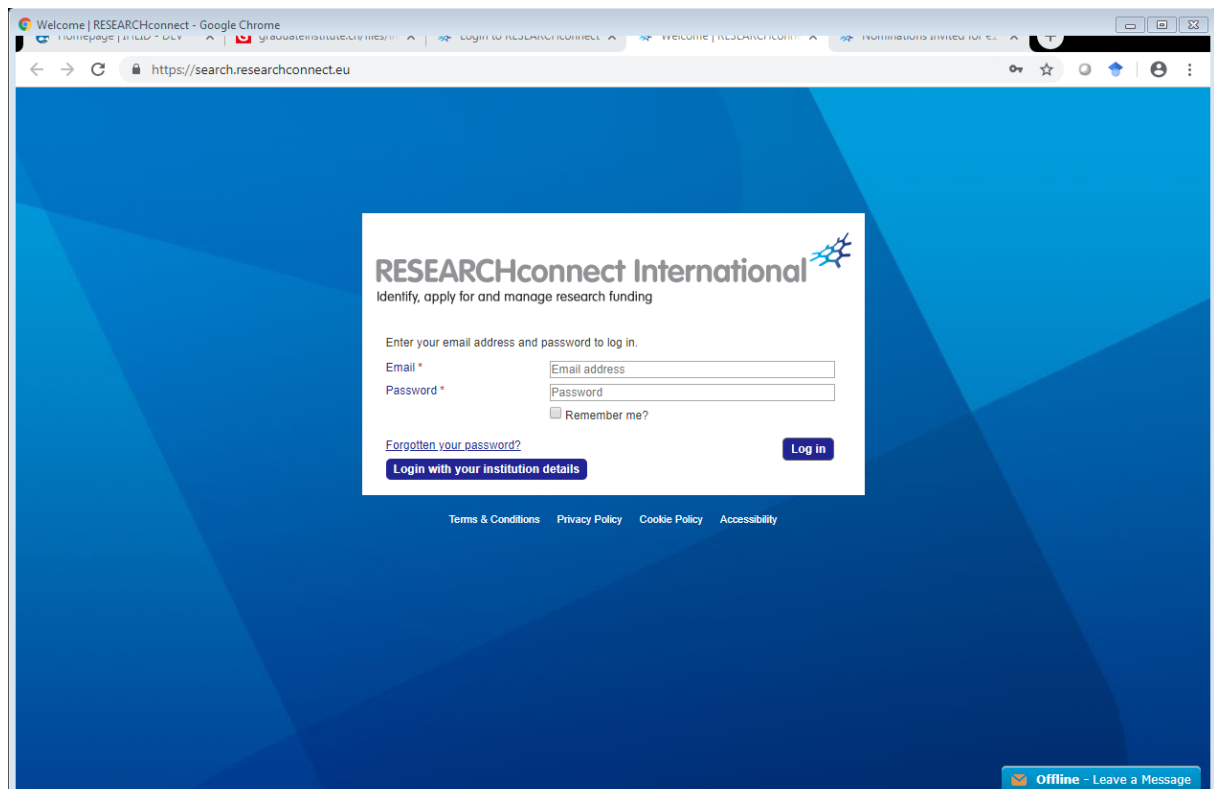

RESEARCHconnect Login Guide

Research Office

Contact: Ghislaine Wharton, Research Coordinator,
ghislaine.wharton@graduateinstitute.ch – +41 22 908 43 20

- Choose RESEARCHconnect International users' login:

RESEARCHconnect Login Guide

Research Office

Contact: Ghislaine Wharton, Research Coordinator,
ghislaine.wharton@graduateinstitute.ch – +41 22 908 43 20

- Please use one of the login email address below relating the best to your position

Departments:

	Contact person	Login name
International Law	Ruth Harding	di@graduateinstitute.ch
Anthropology and Sociology of Development	Daniela Renggli	anso@graduateinstitute.ch
International Relations / Political Science	Margaux Schaar	sp@graduateinstitute.ch
International Economy	Zoya Anastassova	ei@graduateinstitute.ch

Then follow the steps – add the relevant filters to your requirements. Search tips can guide you through each step of the search/filter:

The screenshot shows the RESEARCHconnect International search interface. The page has a blue header with the logo and navigation tabs: HOME, ABOUT US, SEARCH, NEWS, MY RESOURCES, LIBRARY, BULLETINS, ADMINISTRATION, INTELLIGENCE, and CONTACT US. Below the header, there's a search bar and a search process guide with three steps: 1. Who you are, 2. Where you are, and 3. What you are doing. A red circle highlights the 'Search tips' box on the right side of the search process guide. The search tips box contains information about applying as an individual or on behalf of an organisation, filtering by status, and selecting research activities.

Once you have reached the Search Result page, note that you still can filter the results on the right. It is recommended under *Filter by status* to select the with “Future” and “Open for Applications” options.

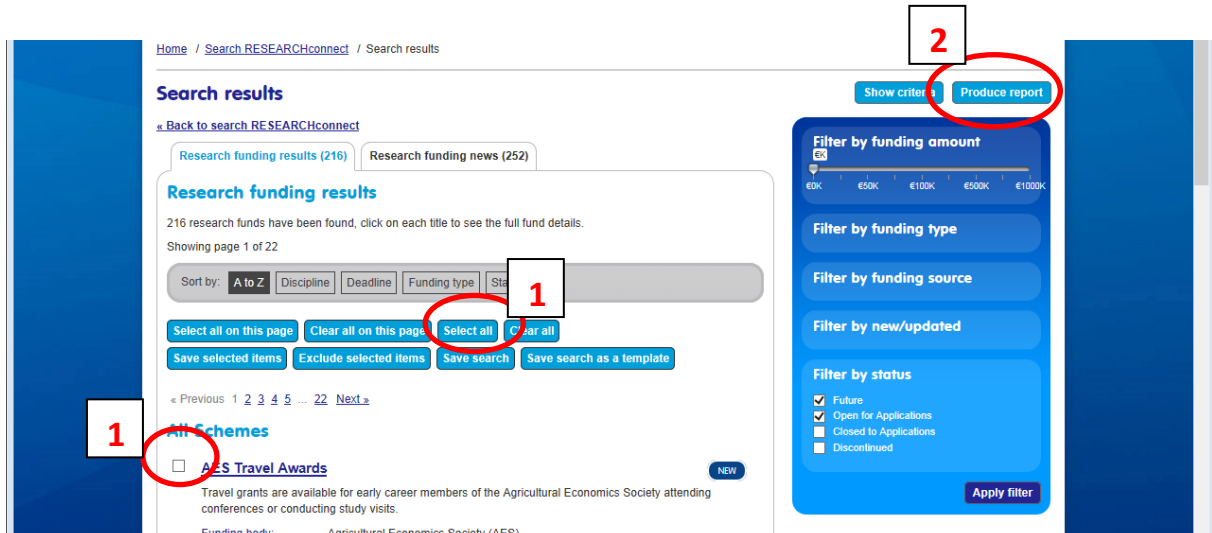

The screenshot shows the RESEARCHconnect International search results page. The page has a blue header with the logo and navigation tabs. Below the header, there's a search bar and a search process guide. The search results section shows 'Research funding results' (465) and 'Research funding news' (252). A red circle highlights the 'Filter by status' section on the right side of the page. The 'Filter by status' section contains checkboxes for 'Future', 'Open for Applications', 'Closed to Applications', and 'Discontinued'. The 'Future' and 'Open for Applications' options are checked.

Finally you can produce a report in an word (rtf) format.

- Select all or select specific grants by ticking the box next to each scheme (1); then click on Produce report (2).

- Name your report
- Select the type of report you would like (sample available) and press OK
- Save the report

The search engine is fairly intuitive. However, should you require help, do not hesitate to contact the Research Office: contact name: Ghislaine Wharton – ghislaine.wharton@graduateinstitute or researchoffice@graduateinstitute.ch.
