Please return the completed and signed form to your Programme Manager (madis@graduateinstitute.ch, mdev-mia@graduateinstitute.ch or secretariatphd@graduateinstitute.ch) at least three weeks before your departure. The document will be kept in your student record at the Student Office. Please note that your file will be made available to Human Resources, in the case of an emergency.

For medium and high risk countries or activities, an appropriate risk assessment will be made by the the Academic Advisor to evaluate whether or not you will be covered by the Graduate Institute Travel Insurance. If your request is accepted, you will receive an ad hoc form to complete and will have to register via the insurance platform. These formalities are necessary for coverage to be granted by the insurance company.
