Organizing an anniversary

- We strongly encourage you to gather your class for **important anniversaries** (5, 10, 20, 25, 30, 40 years and so on). Contact your friends and come celebrate in Geneva!
- A good idea is to seize the opportunity of the Alumni Reunion to book one or more table and/or potentially to organize a get-together or social event just for your class.
- We can help you coordinate should you want to organize a specific event during this weekend.
