## Introduction

This *Faculty Expertise Guide* allows you to discover the many areas of our professors' expertise. They represent many nationalities and have studied and taught in the best universities in the world before joining our Institute. The first two parts of the Guide summarise the professors' thematic and geographical expertise. The third part includes their individual profiles, which indicate their teaching and research disciplines, their specific areas of expertise and the languages they speak.

Ce *Faculty Expertise Guide* vous permet de découvrir les nombreux domaines d'expertise de nos professeurs, qui représentent de nombreuses nationalités et ont étudié et enseigné dans les meilleures universités du monde avant de rejoindre notre Institut. Les deux premières parties du guide résument les expertises thématiques et géographiques des professeurs. La troisième partie comprend leurs fiches individuelles, qui indiquent leurs disciplines d'enseignement et de recherche, leurs domaines d'expertise spécifiques et leurs langues parlées.
